The Mansfield Board of Education again had a prosperous year. Dr. Marvin F. Dees served another year as President of the board and Dr. Charles Brown served as Vice-President. The Clerk Treasurer was Mrs. Freda Forrest. Other elected members were Mr. George Murray, Mr. Burton Preston, and Mr. George Hall. A former principal of M.H.S., Mr. Robert E. Glass, served his first year as superintendent of schools.

This year Mr. Arlo Plough held the overall responsibility at Mansfield Senior High. While serving his first year as principal, Mr. Plough dealt with public relations between M.H.S. and other schools. Mr. Tom Pierson, the assistant principal helped new students with scheduling and directed any needed discipline. During class changes and the noon hour, he also promoted good conduct. This year the attendance office was kept running smoothly by Mr. Robert Copper-smith, the cadet principal. He spent much time giving individual attention to students who had attendance problems.

A good performance is revealed in the happiness expressed by Mrs. Thomas.

The English language arts program has two positive functions: to improve each student's ability to convey information, ideas, and emotions, both in speaking and in writing, as clearly and effectively as possible; and to improve each student's ability to receive, through reading, viewing, and listening, the information and inspiration available to him through spoken and written English.

To implement the programs in writing and reading, texts in composition and vocabulary have been introduced into several courses.

Each year the juniors participate in the National Council of Teachers of English writing contest, leading to an award of a four year college scholarship.

Foreign Language

The purposes of the Foreign Language Department are: (1) To give an understanding of cultures of languages being studied; and (2) To learn arts of communication, both writing and speaking, in the language being studied.

Some of the special events were: (1) French Club had a special Christmas dinner; (2) Spanish Club had a Pinata Party and had as its guests students from St. Peter's Spanish Department.

New opinions and thoughts about Latin delight Miss Howard.

It is the aim of the M.H.S. Music Department to help the students develop a love and appreciation of music by providing significant musical experiences in both academic pursuits and in performance groups.

The Music Department offers these courses: General Music, Music Appreciation, Music Theory, Choir, Orchestra and Band. We also provide for additional musical experiences in extra-curricular ensembles such as String Ensemble, Stage Band, Girls Ensemble and various quartets, trios, and solos.

The Marching Band is proudly wearing new hats this year purchased by the Parents Club and by students with money earned from the Christmas Sale.

The Orchestra members also participate in the N.C.O.T.A. Orchestra and Region Orchestra; a few selected members also participate in All State Orchestra.

The Art Department of Senior High School aims to broaden and enrich the lives of the "sensitive" student by: (1) Teaching him to see, feel, understand, and experiment with basic art elements and varied materials; (2) Teaching him to relate to the great art of all ages by much looking at art in books, slides, film strips, galleries, etc.; (3) Making art a meaningful experience to enrich various career objectives; (4) Developing the talented student to reach his greatest individual potential aesthetically, creatively, and technically.

Business Education

Business Education subjects offer all students the opportunity to acquire the skills and knowledge necessary for initial employment in office occupations. To many students, business subjects contribute to their general education by giving them the communicative skill of typing and the business aspects in economic areas. Business subjects have exploratory value and are preparatory for further education in business schools and colleges.

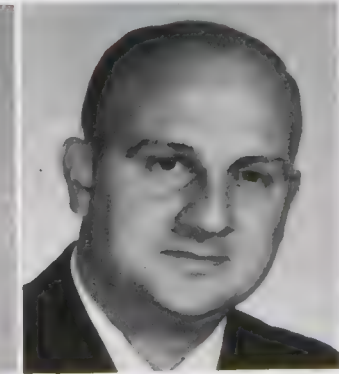

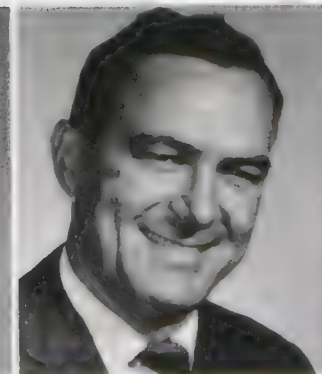

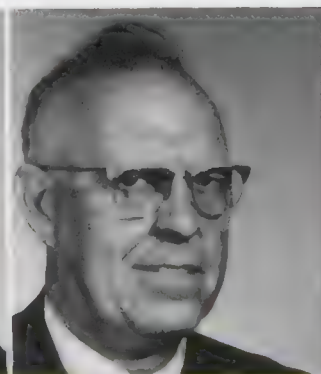

To complement the individual subjects, the Business Education Department has programs for qualified students in the junior and senior years for the office occupations of stenographer and clerk-typist. Also selected seniors are given a work-study program in Cooperative Office Education (C.O.E.). The above programs are approved by the Business and Office Education Services of the Ohio State Department of Education and are partially funded by the Federal Vocational Act of 1963.

Driver Education

The purpose of the Driver's Education classes is to teach the students understanding of the need for careful driving. This course teaches the students everything about driving without actually getting in a car. Driver's Training is the actual behind the wheel training. Once a week the students drive a car with a qualified teacher instructing them.

Physical Education classes started the year with physical fitness tests, which they repeat at the end of the school year. Rules of many types of sports are taught. The physical education department strives for good physical fitness and knowledge of the necessity for it.

We offer girls two basic courses in Home Economics in which they learn the basic skills in clothing construction and food preparation. The related areas of textiles, color co-ordination, child care and development, menu planning, marketing, grooming, laundry, personal relationships, consumer education, home furnishings and housing are studied in these courses. Family Living and Home Nursing are semester courses which train girls for their role as Homemaker.

Home Economics III and Tea Room show the girls how their training can be used in a Vocational way. Home Economics III or production experiments with different recipes, decides on saleable items, keeps records and aims to operate at a profit. Advanced Tailoring is offered the last half of the year to these girls. The Tea Room gives girls experience in menu planning, management, marketing, preparing and servicing meals to the public once or twice a week.

Our girls look forward to attending the Christmas Workshop at Kingwood each year. Our department also offers a Christmas Open House for students and teachers each year.

There are over 11,600 books in the school library. The library serves as the center of the school. There are reading materials for everyone.

The librarians are Mrs. Martha Rausch and Mrs. Martha Gundaker, and the library secretary is Mrs. Dorothy Tatgenhorst. Together, the librarians select and buy books, get them so they are usable and helpful to students, and conduct instructions.

The Mathematics Department at Mansfield Senior High School is quite diversified in its offerings. The curriculum ranges from mathematics for slow learners through Analytics and Calculus for college bound students.

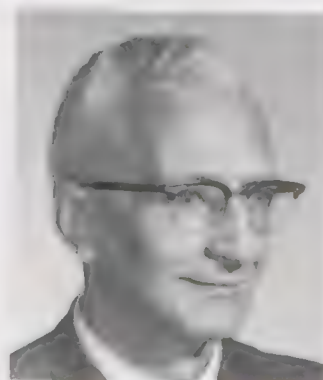

We aim to develop (1) understanding, accuracy, and facility in the fundamental processes of computation; (2) ability to use the problem solving method; and (3) understanding of the nature and structure of mathematics. Provisions are made for students to develop skill and ability in the areas of postulational reasoning, graphic representations of mathematical expressions, and scientific thinking.

Social Science

The primary objective of the social studies curriculum is to aid students in gaining an understanding and appreciation of our national heritage—our accomplishments as well as our problems.

Plans are being initiated this year to redesign the whole social studies curriculum from kindergarten to the twelfth grade. New ideas and techniques are being tried out in various classes. Among these are the use of multi-texts in the classroom; more student-centered discussions of topics; greater use of audio-visual ma-

terials as are made available; extending of invitations to community resource persons who can help to clarify and add to the understanding of current topics; more field trips when possible; and more individual student research on various topics.

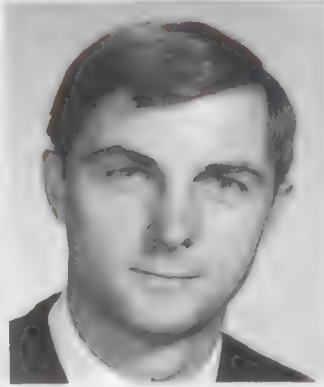

By experimenting with and utilizing different ideas and methods, the Social Studies Department staff members hope to make their part of the total curriculum more meaningful and interesting for their students.

Senior Class of 1968

Hundreds of new faces entered Senior High for the first time in September of 1965. They were just individual faces, lacking any common tie. But by December, all of the faces had been united into one body—the class of 1968. Chosen as leaders that year were Jim Konves, President; Ric Wright, Vice-President; Cathy Smith, Secretary; and Carol Scott, Treasurer.

That sophomore year, the class began to build its treasury by selling Tyger license plates and collecting class dues. "In the Still of the Night," the sophomore prom, transformed Pete Henry Gym into a moonlit Italian garden with a cafe at one end. Wishing to boost their treasury during the summer, the class sponsored two bake sales, and a pool party and dance at Possum Run Swim Club.

During the autumn of 1966 many class activities were undertaken by the new juniors. A candy sale, the ordering of class rings, class dues and dances helped the class treasury. Junior elections, held in October, resulted in the re-election of the same slate of officers. An all out effort created a truly lovely Homecoming,

entitled "Rhapsody of Roses." In May the election for Senior Class officers retained the same group of leaders.

September 1967 brought the beginning of the class's eventful Senior year. In the fall a two week candy sale boosted the treasury even more. The class sponsored a football and a basketball dance. In January and February the 1968 Varsity Varieties "The News is Out" took top priority in class activities. The successful Senior Class Play "Out of the Frying Pan" delighted audiences in April. June brought the Senior Class Prom, Class Day, Baccalaureate, and finally Commencement.

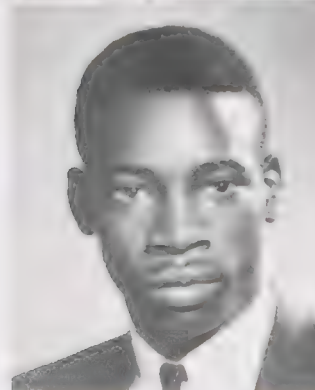

After three years together, the 430-some members of the class of 1968 were no longer individual faces lacking a common tie. A bond had been formed by working, giving, and creating together. Yet each face revealed an individual who had gained something priceless from being a member of the class of 1968. And Senior High's ever expanding personality revealed that it too had gained something priceless from the people behind the faces of the class of 1968.

Coaches and Team Put Forth a Great Effort

Illustrious Tygers Show

Coach Prahst pleads with Tyger defender as game gets rough.

The 1967 Tyger football team was coached by Head Coach Gary Prahst and assistants Bob Mosketi, Don Stowers, Rich Hahn and Clarence Roessler.

The 1967 Tygers looked impressive in their opener against Cleveland East Tech. The Tygers showed a very capable offense by scoring four touchdowns while holding the Cleveland offense to three touchdowns.

The Tygers were toppled by a fine Lancaster offense. The Tygers battled on even terms with the Gales for the first three periods. The Golden Gales then scored three touchdowns while the Tygers scored only once.

Make a mistake against Massillon and it usually turns out to be costly. This proved to be true as the Massillon Tigers capitalized on Tyger mistakes as they sent the Bengals down to their second defeat of the season.

Fremont was unable to beat the clock as time ran out on them on the Tyger 7 yard line. The game was played under adverse weather conditions. But a stubborn Tyger team held on for the victory.

A tough Admiral King defense held the Tyger offense to one touchdown while their offense scored three touchdowns.

Bad weather conditions proved no deterrent to the Elyria ground batteries as they built a 28 to 0 lead after three periods. But the Tygers never gave up and came back to score two touchdowns in the final period.

SITTING: Rabal, Sawyer; **FIRST ROW:** Wright, Hallabrin, Imhoff, Lowe, Fraley, Petrella, Leitenberger, Zimmerman, Phillips; **SEC-**

OND ROW: Colvin, LeMaster, Salyers, Allen, Nixon, Parr, Smith, Petan, Glorioso, Brollier, Bruce, Bates, Blakely.

Spirit of Triumph

Mansfield scored twice in the final quarter to win their second Buckeye Conference game of the season. Mr. Everything, Dave Hallabrin, playing various positions, ran, passed, caught passes, intercepted passes, punted, returned punts, and returned kickoffs to lead the Tygers in their Homecoming victory.

Lorain Senior marched to an easy victory over a crippled Tyger team. Lorain scored almost at will as they kept the Tyger offense bottled up. The Tygers scored their only touchdown late in the second period and did not threaten after that.

The weather was again opposed to the wide-open Tyger offensive attack. The Tygers dominated the first half and Findlay dominated the second half. The Tygers scored in the first half and controlled Findlay until late in the fourth period when Findlay scored and made the conversion points to tie the ball game.

Sandusky showed an awesome running attack led by Eddie Williams. Although several costly mistakes put the game out of reach of the Tygers, they never stopped trying.

Tim Johnson makes the 'grab' as help is on its way.

Coach Hahn: offensive and defensive tackles; Coach Moschetti: offensive backs and defensive linebackers; Coach Prahn: offensive split end and defensive backs; Coach Roessler:

offensive guards and centers, defensive middle guard; Coach Stowers: offensive tight end and wingback, defensive ends.

The Tyger Cubs looked impressive in their opener against Galion's reserves. Although the weather conditions were not favorable, the young Tygers scored 24 points while holding their opponent scoreless.

Mansfield sophomores found it rough going against a big and strong Lorain reserve football team. The Tyger defense gave too much yardage, and the Tyger offense was stopped dead.

The Massillon Tigers, again with an outstanding reserve team, defeated the Tyger Cubs with little trouble. Too many offensive mistakes stopped the Tyger Cubs.

In a game marked by too many mistakes the Tygers fell to defeat at the hands of a fired up Madison eleven. The Tygers just couldn't get the offense going the entire afternoon.

The game against Marion's reserve squad was the best game of the season for the Tyger Cubs. The win was due to a great team effort both on the part of the offensive and defensive.

The Fremont Reserves up-ended the Tyger Cubs at Fremont. The Cubs made many mistakes, but the coaches saw signs of future ability.

1967 Homecoming Is a Big Success

Mr. Ric Wright and Mr. Shawn Madison present Allison with the prized football.

Miss Allison Davis, 1967 homecoming queen, was crowned by Miss Dorothy Ferguson at the formal assembly entitled "Amber Shades of Autumn." Miss Davis was escorted to her throne by Mr. Mark Smith.

Miss Debbie Wilson and Mr. George Weber, mistress and master of ceremonies, presented each of the attendants as one of autumn's amber shades.

The attendants were Miss Robin Burrage escorted by Mr. Leroy Reed, Miss Rita Gonzales escorted by Mr. Steve Huber, Miss Annette Mengert escorted by Mr. Tom Nixon, and Miss Vickie Schwab escorted by Mr. Gordon Brollier.

The program included music by the orchestra and the guest speaker, Mr. William Grice, head football coach at Oberlin College.

Allison is overcome with excitement.

Dorothy Ferguson very carefully places the crown on Queen Allison's head.

Cross Country Team

Coach Ward's hard work with his runners proved to be worthwhile as the Tyger team captured wins in all three dual meets—Elgin, Ashland, and Marion. They also won their five way meet in Columbus.

Coach Ward said, "The highlight of the season was when we took second place in the Buckeye Conference meet. We had hoped only to grab fourth or fifth place."

The Tygers also made second places in the District and the Mansfield Invitational meets. Overall they were 35—12 for the season.

They started thirty boys, ending with twenty-nine. The top five were: LaRue, Conner, L. Williams, Trum-power, and Schlegel. Only one letterman will be lost to graduation. He is the number one man and ran his fastest time, 10:22, at the District meet.

The Tygers seemed to get all the bad breaks this year. Most of the games were close ones, and a little luck might have resulted in a better season. Outstanding games for the cagers were Findlay and Elyria. They came from behind to win both games, going into overtime against Findlay. Two Tygers made the All-Buckeye Conference team: Phil Browarsky and Duane Hill. The entire team did their best, and next year the Tygers should show a winning season.

The Tyger Cubs put on a great aerial exhibition this season and showed what we could call great Tyger Spirit. The coaches of the team were very pleased and have given Coach Burkett a lot of prospectives.

Tankers Establish New Records

The tension.

The gun.

Coach Clarence Roessler led his tankers to the best seasonal record ever compiled by a Tyger swim team. The team finished with a 10—5 record and fourth place in the Buckeye Conference. They won the tri-meet between rivals Malabar and Ashland. The tank-men closed their winning season with a colorful victory over arch-rival Sandusky Perkins. At Bowling Green in the district meet, the Tyger medley relay team of Jim Imler, Jim Cashell, Mark Kearney, and Jim Henry placed for the state competition at Columbus. Tyger star, Jim Imler, also placed for state in the 100 yd. backstroke.

Chas Higgs performs a perfect dive.

The Victor.

Coach Flanagan led the Grapplers to victory.

The Wrestling Team looked like one of the best in a long time. Of the sixty boys who went out for wrestling, Coach Flanagan said they were "rough, tough, and all round fighters." The Tygers showed a seven and two dual season record to back this up. Coach Flanagan also said that he was very happy with the reserves who chalked up the best record ever (6—3). This he said was due to the fact that we have a new Junior High program.

The biggest clutch match was when John Holt beat one of his competitors in the Buckeye Conference Meet and went on to be runner-up. The team said they thought that the bigger and better crowds helped a lot, and they were happy with a win over Madison. This was one of their best meets all year.

Bruce Drye received an unfortunate shoulder injury which caused him to miss going to the State Meet. But he was considered the most valuable player.

Danny Porter assumes an attitude of leadership as he conducts a business meeting.

Danny Porter, president of the Mansfield Senior High Student Council, provided the student government with fine leadership and many worthwhile projects this past year. As always, the work can not be left up to one man. Danny was greatly aided by their capable advisor, Mr. Daniel McBride. His hardworking assistants were Jim Imler, Vice-President; Debbie Hipp, Secretary; and Jeannie Shaull, Treasurer. Student Council's projects this year included the annual Christmas Basket Drive, Pupil's Civic Fund, student elections, and Twirp Week. The elegant Track Assembly was sponsored by the Council. They also did a complete job of finding homes for the visiting athletes participating in the Mansfield Relays.

Each summer representatives from Mansfield Senior are sent to Buckeye Boys' and Girls' States. Delegates to Boys' State held at Ohio University in Athens included Jim Konves, Pat McGinty, and Dan Porter. After vigorous campaigning, Pat was elected a Senator for the Federalist party, and Jim gained a seat in the House of Representatives for the Nationalist party. Dan, also representing the Nationalists, served as a member of the Senate and became Majority Whip.

Connie Schmucker, who attended Girls' State at Capital University in Columbus, also was elected a Senator.

Delegates to Boys' and Girls' States were able to see first-hand how our government operates, and to hear top political leaders speak. Important issues concerning Ohio were discussed and voted on in the House and Senate.

Projects that the band engaged in were selling Christmas items and sponsoring a Thanksgiving dance.

Also representing the band were the three majorettes, Becky Hoff, Debbie Wilson, Ronna Scott, and drum major Dave Weisenburger. The group represented Mansfield Senior at camp and also in competitive twirling in many contests throughout Ohio and at the State Fair.

Staff Compiles Yearbook

Manhigan advisor, Mr. David Gross, checks over finished layouts.

This year many changes can be seen in the workmanship of the Manhigan. Although staff members planned pages, took pictures, and wrote copy as usual, the actual paste-ups were done by the American Yearbook Company, and all copy was set in type rather than done on a typewriter. This has given the Manhigan a more professional quality, and has put it on a par equal to the yearbooks of other schools of the size and reputation of Mansfield Senior High.

The senior editors included: Jim Hoffer and Tom Gowing, Clubs; Steve Baehrens and John Imhoff, Sports; Russ Force and Debby Dewald, Seniors; Chris Herrick and Linda Enlow, Underclassmen; Debby Hipp, Faculty; Gail Seiler, Features; and Leslie Orr, Activities. Junior Scientists Exhibit Projects

Eleanor Wilhelm received Superior on her unique project.

The annual Science Fair of Mansfield Senior High was held on March 12 and 13. Approximately fifteen ambitious students showed their scientific ability by preparing projects for the fair. These projects were rated superior, excellent, good or satisfactory, based on knowledge achieved, effective use of the scientific method, clarity of expression, originality and creativity. Those students who received superior ratings entered the District Science Fair held at Ashland College on March 30. The projects which again received superior ratings were able to attend the State Science Day held at Columbus on April 6.

Seniors march in, ending the past and opening the future.

The Manhigan staff has worked very hard to preserve the memories of this year at M.H.S. Pictures of some of the activities we have participated in are worth a thousand words. The staff has given much of their time to cover this school year and rewrite their story of Mansfield Senior High—1968.

At this time we would like to thank all the members of the Manhigan Staff for their efforts in formulating this story. We know that in future years the hours spent putting together the story of 1968 will be forgotten and only the memories of a wonderful year will remain. This Manhigan will be a priceless treasure to everyone.

Mr. Gross, our advisor, has worked exceptionally hard all year to guide us. We could never thank him enough for the many hours of his own time he spent helping us. Besides being our advisor he has been a personal friend to all of us and we are very thankful to him for all he has done for us.

Another man who has helped us put together our Manhigan is Mr. Earl Parks, an American Yearbook consultant. Mr. Parks has also been a great help to us and we appreciate his service very much.

Our photographer, Terry Richardson, assisted by Bruce Gorrell, and our typist Betty Ingram are also to be thanked for their services. Without them it would have been impossible to write our story of 1968. They worked many times under heavy pressure from all of us on the staff, but I think they know it was necessary in order to have an outstanding yearbook. Again we would like to thank them.

This is possibly the first year that M.H.S. has been so greatly conscious of the value of human life due to the Far East situation. It is for this reason that we would like to pay tribute to the valiant soldiers from M.H.S. who have given their lives for America. We are also proud and grateful for those who are presently demonstrating valorous conduct.

Thanks to Our Patrons

We wish to thank the following Mansfield businesses and professional people who have contributed to the publication of the 1968 Manhigan.
